## A TRADITION OF EXCELLENCE

**Jen Construction, LLC (Jenco)** is a family-owned, full-service general contracting firm licensed in the State of Hawaii. With a reputation for delivering exceptional results for residential, commercial and hospitality projects of all sizes, we give every job the focused attention it deserves with an unwavering commitment to customer satisfaction.

Established in April of 2005 by seasoned industry veterans Miles Yamasaki and Tad Fujino, Jenco was founded on the values of quality workmanship and professional integrity. Over the years, we've assembled a team of skilled experts who are focused on building value into the partnerships we forge with clients, architects, suppliers and contractors by using quality people and products and conducting business in the most honorable way. Our goal is to develop long-term relationships based on honesty and professionalism, and to win clients for life. To that end, every member of our team consistently goes above and beyond to earn the trust and respect of each partner and company we work with.

Our management team has over 100 years of combined knowledge and experience in the construction industry with a diverse portfolio in the industrial, medical, office, retail, hospitality and multi-family markets. Our extended crew of dedicated subcontractors and suppliers have worked with us from the beginning and share our vision of excellence in customer service and professional workmanship. When you hire Jenco for your next job, you can rest assured knowing we'll always take the time to understand your needs before any work begins, and then go above and beyond to exceed your expectations using every available resource we have.

## Construction Services

**Residential:** We'll take the time to guide you through the building or remodeling process and ensure your finished results are perfectly in line with your family's distinct needs.

**Commercial:** Whether you're seeking new construction or are ready to renovate your commercial property, our highly skilled crew has the expertise you need to get the job done right.

**Hospitality:** Our extensive knowledge in the building, remodeling and finishing of hotel high-rise properties, multi-acre resorts and boutique rentals can help you deliver a guest experience that is second to none.
